

Artist 24 Pro

Immense canvas, immersive clarity

The Artist 24 Pro is the very first 23.8-inch, 2K QHD graphics display. With double the resolution of FHD displays and unprecedented vibrancy, it offers a creative experience that exceeds all limits.

Supports a USB-C to USB-C connection, allowing you to connect your iMac, Mac Book Pro or Windows computer directly.

Features two easy-to-control red dial wheels and 20 customizable shortcut keys that are conveniently placed on both sides, making it equally accessible for left and right-handed users.
